Curriculum Vitae of Dr. Dimitris Folinas

Personal Information
> First Name / Surname: Dimitris Folinas
> Address: 2, Kanelopoulou str., 60 100 Katerini, Greece
> Telephone: 0030 23510 20940
> E-mail: dfolinas@gmail.com
> Marital status: Married / Three children
> Nationality: Greek (European Union)
> Education/professional training: PhD, MIS.

Teaching experience
> Current position: Associate Professor Department of Logistics, Alexander Technological Educational Institute (ATEI) Thessaloniki, Greece
> 2005-today: Lecturer in the Department of Marketing and Operations Management, University of Macedonia, Edessa, Greece
> 2008: Lecturer in the Department of Production and Management Engineering, Demokritos University of Thrace, Greece.

Research interests
> Logistics and Supply Chain Management, Logistics Information Systems and Technologies, Enterprise Information Systems, e-Logistics / e-Business, Supply Chain Integration, Virtual Enterprises, XML Technologies and Standards.

Additional information (other activities)
- As a researcher I have prepared, submitted and managed more than 15 projects funded by National and European Union research entities, such as: "Design and development of an integrated traceability web-platform for the food industry" funded by the Development of Industrial Research and Technology / Call: 4.3, Action: 4.3.1, "Virtual Pre-Incubator Accelerator (ViPia)" funded by the Leonardo Da Vinci / Community Vocational Training Action Programme, "OPUS" funded by IST (ACTION LINE: II.3.1 Dynamic Value Constellations), IST-2001-33464, etc.
- I am an evaluator in European Union and National research projects: 1) SEE-ERA.NET PLUS Joint Call, under the International Bureau of the Federal Ministry of Education and Research at the Project Management Agency c/o German Aerospace Center (DLR). 2) Cooperation, under the Greek Minister of Education, Lifelong Learning and Religious Affairs.
- Member of the editorial board of: IST Transactions of Transportation Systems-Theory and Applications (TSTA) and IST Transactions on Information Technology-Theory and Applications (ITTA).
- Member of Institute of Electrical and Electronics Engineers (IEEE) Computer Society, Association for Computing Machinery (ACM), The International Society of Logistics (SOLE), Greek Society of Operational Research (GSOR), Greek Computer Society (GCS), European Federation for Information Technology in Agriculture, Food and the Environment (EFITA) and the Union of Hellenic Scientists for Protypation and Standardization (ENEPROT).
- For my scientific work there are more than 80 citations.
